"Our flag does not fly because the wind moves it. It flies with the last breath of each soldier who died protecting it."

PJM offers our sincere gratitude to all those who have served and to the fallen members of our military who made the ultimate sacrifice while serving the United States.

DID YOU KNOW?

Congress established the National Moment of Remembrance which asks Americans to pause at 3 p.m. local time on Memorial Day, in an act of national unity for a duration of one minute. This act honors our fallen heroes.

PASSING ON THEIR LEGACY

Memorial Day Weekend commonly involves backyard barbecues and spending time with families and friends. Take this opportunity with loved ones to acknowledge and honor those who made the ultimate sacrifice to protect this country.

One way to honor your family's veterans is by sharing their stories and pictures with children. Take time this weekend to attend a Memorial Day Parade or volunteer your time to a local veterans organization. Talk about veterans and their service with your children or grandchildren.

BE SAFE

For many of us, this Memorial Day Weekend may include a road trip. On behalf of the entire PJM family, we wish everyone safe travels. Please remember to fasten all seatbelts and never text while driving.

Happy Memorial Weekend!
